**What MCM Does...**

The Annual MCM Convention is held in early autumn and brings together over 250 carrier and supplier members for education, networking, and socializing. The trade show provides members with an opportunity to discuss new technology, products, and services with allied members and can provide many members with new ideas to add value to their business. The seminars provide valuable knowledge about recent changes in the industry. The Golf Scramble is an important chance to join colleagues for a day on the links, relaxing and strengthening important business ties.

The #1 priority of the MCM is to promote safety in the industry. The Safety Management, Maintenance, & Technology Council meets quarterly to help meet that goal. The council provides members an update on DOT changes and a forum to discuss issues of importance. SMMTC hosts the Truck Driving Championship, held each June in Billings or Helena.

MCM publishes an Annual Directory of all members. This resource provides members with a single, user-friendly guide to the MCM. The Allied Directory is frequently printed in the newsletter, providing carriers an up-to-date listing of the suppliers they rely on for their business.

MCM represents the trucking community by keeping a close watch on issues affecting the bottom line for trucking companies. MCM’s affiliation with American Trucking Associations, coupled with the frequent and direct communication with the Montana Congressional Delegation ensures that views of Montana’s trucking industry are heard in Washington D.C.

**Why Join MCM?**

MOTOR CARRIERS of Montana has served as the voice for Montana’s trucking community since 1939. Affiliated with the American Trucking Associations, MCM members are found in all sectors of the trucking industry.

**Why Join ATA?**

The American Trucking Associations is the national advocate for the trucking industry. ATA aggressively advocates on behalf of its members before Congress, the courts and federal regulations agencies on Capitol Hill. ATA members are the industry’s leading companies dedicated to operating the safest, most responsible and profitable companies in the business.

**Be Informed: Get Involved!**

One of the primary services of the MCM is to keep members informed about current issues in the industry. When an urgent matter arises, our weekly electronic newsletter “ON THE HORIZON” gets the word out to all of our members. MCM’s website is linked to a variety of governmental and private sites and can be a valuable source of information for the networked company.
Continental Owner Operators, LTD:
COOL is an association of Owner Operators endorsed by MCM. Through COOL, Owner Operators gain access to a variety of individualized insurance services at group rates.

Safety Services:
Please see Allied Directory for list of MCM members who provide this service.

UPS Discounts:
MCM’s partnership with United Parcel Service will save you $1.50 on your next day air letter shipments, 10% on your next day air packages, and 20% on your worldwide express shipments. The savings are automatically applied to your bill whenever you use your shipper billing number.

Goodyear Tire Discounts:
As a Motor Carriers of Montana member, you and your fleet can receive discounted pricing on all Goodyear Commercial Truck Tires, Passenger and Light Truck Tires and Good-year Retreads at selected tire dealers in MT.
